SPUC Abortion up to Birth Bill and Assisted Suicide Bill. Both of these Bills are currently being scrutinised and debated in the House of Lords. Thank you if you have already written to some Peers but, we need you to keep up the pressure and continue writing. This is because the Government has now allocated another 10 days for debate, ending on the 24 April, to deal with the 1071 Amendments tabled for the **Leadbeater Assisted Suicide Bill**. The **Abortion up to Birth Bill** will be debated on 27th January. Amendments have been tabled to remove the Bill and end the pills by post policy. We now have more time to lobby members of the House of Lords. The following links will take you to the SPUC website where you can read information regarding each Bill and the webtool by which to contact Peers. A Peer will be generated for you to write to, and it will bring up an editable template letter:
