SPUC URGENT: In April 2026, the Terminally Ill Adults (End of Life) Bill fell at the end of the Parliamentary session having failed to complete its passage through Parliament. Now, Lauren Edwards MP (Labour) has reintroduced essentially the same Bill, with Second Reading scheduled for Friday 11th September. It appears that the assisted suicide lobby is intending to invoke the Parliament Acts, whereby if the House of Lords rejects the same Bill in two consecutive Parliamentary sessions, it can be passed without their consent **BUT**, if MPs **REJECT** the Bill at Second Reading, it will not progress further. We have just a small window of time to persuade MPs to reject the Bill during the summer recess, when most MPs are back in their constituencies. Please write to your MP asap, or make an appointment to meet them face to face before the September vote. There will be SPUC flyers and info at the back of your church to help you. "These are challenging times for many families experiencing financial hardship. Such families are often in temporary accommodation after fleeing abuse or the breakdown of relations or the loss of their jobs due to illness and circumstances beyond their control. The Essential Grants Programme exists to provide essential items to help relieve families' needs. CCSP warmly encourage applications from such families for school uniforms, shoes, beds, mattresses and bedding, clothes for children and newborn babies, cots, bottles, chests of drawers, wardrobes, alongside white goods such as cookers and fridges. They require all such applications to be accompanied by a referee. The process from application to supply is usually within two to three weeks.

CCSP also need trustees. If anyone is interested in offering their time, please contact the office on 01364 645420 and ask to speak to the Chair, Shelagh Fearnley. They would love to hear from you."
