**The second collection today:- Day for Life**

This year the **Day for Life** focuses on all those who are suffering or have survived human trafficking and modern slavery. As Pope Francis has said, "The trade in human beings violates the God given dignity of so many of our brothers and sisters, and constitutes a true crime against humanity." Many people do not have life to the full because they are traded as objects and not recognised as persons. They have fallen victim to the scourge of human trafficking and modern slavery which are an assault on a person's innate human dignity.

Contributions will go toward the Anscombe Bioethics Centre, as well as projects which work to protect life at every stage and condition. Further information is available on [www.dayforlife.org](http://www.dayforlife.org) and in the leaflet in your pew and also available from the back of the Church.
