Journey in Faith

I am aware that a number of non-Catholic parishioners have expressed interest in the Catholic faith. From early October, I am planning to run sessions for such parishioners who wish to explore the Catholic faith more deeply and perhaps with a view of becoming a Catholic if this feels right. There is absolutely no obligation or commitment expected if you wish to attend these sessions. In the interim, I would be happy to have a chat about this with anyone who might be interested should you have any questions.
