World Mission Sunday Why does the Pope want all parishes to support World Mission Sunday? All parishes throughout the world celebrate World Mission Sunday because it is vital to the growth of the Church and the spread of the Gospel in predominantly impoverished and remote areas overseas.

There will be a collection at both Masses today. The funds raised build much-needed infrastructure, from chapels and schools, to orphanages, clinics and dispensaries.

Requested by the local community, the support from Missio transforms lives and creates a hub from which the young Church can flourish and grow: spreading the Good News of the Gospel, ministering to the faithful, and delivering essential services in health and education.

World Mission Sunday is one of only three Papal collections and has been especially chosen by the Holy Father as the means by which we share what we have with our brothers and sisters in need.
