**COVID UPDATE:** It is great news that we are beginning to move towards getting back to normal. However, in terms of our gathering together as church, we are required to continue following the established guidelines. The 'Guide for Parishioners during the Covid-19 pandemic' has been reissued which we are asking you to continue to adhere to. This has been published on the website and copies have been sent to all parishioners with e-mail addresses on our current parish database. Once we are allowed to have meetings and gatherings again we will obviously publish that news as soon as we hear. Thank you for your continued patience.

**A warm welcome to our visitors!**
