COVID UPDATE: It is great news that we are beginning to move towards getting back to normal. However, in terms of our gathering together as church, we are required to continue following the established guidelines. There are now self-serve sanitiser dispensers on the table as you come in/go out. Please ensure you sanitise both on entering and exiting the Church. Once we are allowed to have meetings and gatherings again we will obviously publish that news as soon as we hear. Thank you for your continued patience.

A warm welcome to our visitors!

An update from **Horrabridge Community Food Store**. The team send their heartfelt thanks to Holy Cross parishioners for their constant support during the time of the Pandemic. As the food store, was set up to meet a pandemic need, it has been decided to slowly scale down its role over the summer months and to work jointly with the 'Love Your Neighbour' group who support in many ways, those in need in the village. As the food store is well stocked the Martha Group will no longer collect donations. Tavistock food bank are also well stocked at the moment and any donations that anyone wishes to make can be placed in the Food Bank donations stand in all the Tavistock supermarkets.

Once again sincere thanks to everyone who has supported the Food Bank and Food Store.

Charity requests: Thanks for the amazing response for the used drug strips. Another charity is collecting the coloured plastic milk bottle tops. Also we are still collecting stamps. All can be left in the foodbank box.
