COVID UPDATE: It is great news that we are beginning to move towards getting back to normal. However, in terms of our gathering together as church, we are required to continue following the established guidelines. There are now self-serve sanitiser dispensers on the table as you come in/go out. Please ensure you sanitise both on entering and exiting the Church. Once we are allowed to have meetings and gatherings again we will obviously publish that news as soon as we hear. Thank you for your continued patience.

A warm welcome to our visitors!

My younger brother Simon, who is a strong advocate for human rights, is cycling from Land's End to John O'Groats to raise awareness of and funds for causes supporting anti-slavery. He has given many talks about modern slavery during his trip. There are currently estimated to be over 100,000 enslaved people in Britain alone. As Christians, we should all be concerned about this.
